Weather forecast and Luxembourg City tips

Welcome note for newcomers!

Welcome to Luxembourg, participants of the ETAPS 2024 and Satellite Events! After a busy first day, we continue with a second workshop day. For all newcomers, we are delighted to have you with us. As you immerse yourselves in the vibrant atmosphere of Luxembourg City, we trust that this gathering will foster enriching discussions, insightful collaborations, and memorable experiences. We look forward to an inspiring and fruitful event ahead. Welcome!

Useful information

Wi-Fi: Each room at the venue will have its own Wi-Fi with the name being the room name and the password: "room-name"-1453 (e.g. Europe-1453, Vianden-1453). There will also be a sign in each room with the Wi-Fi name and password.

Satellite Events and Programmes: You can find all the workshops with link to their webpages and programmes here <https://etaps.org/2024/sat-events/>

Satellite Events

Transportation: Public transportation in Luxembourg is free, please check out www.mobiliteit.lu for schedules.

Forecast

After weeks of rain, weather in Luxembourg should improve. There may be some showers on Sunday morning, so keep this in mind.

TODAY 07/04	 21° 11°	Mostly cloudy and warm  Night: Cloudy with showers around	📶 25%
MON 08/04	 21° 10°	A passing morning shower  A couple of showers late	📶 57%
TUE 09/04	 12° 4°	Cooler with rain and drizzle  Low clouds	📶 88%

Events in Luxembourg City

For those seeking a great restaurant or bar experience, we recommend heading to Luxembourg City center, Grund, and Les Rives de Clausen area. For small and cozy bars we recommend De Gudde Wëllen, Scott's Pub, Urban, Liquid, Konrad Café & Bar, Vis-a-Vis in the Luxembourg City center.
